

was passed last year as part of the Omnibus appropriation bill.

Because the waiver of the requirement for authorization was omitted from last year's supplemental, certain unauthorized parts of the agreed-upon package of assistance for Latin America to continue to help with the suppression of drugs cannot move forward.

In response, we have prepared an amendment to the underlying authorization bill. The change to the authorization will allow this to go forward as agreed upon in the statement of managers of the supplemental appropriations legislation.

The Department of State supports this legislation and is anxious to get these programs going. It is important, we believe, to the jurisdiction of the Committee on International Relations that the statutory requirement that all spending on foreign assistance be authorized, or that such a requirement for authorization be waived by statute.

All of this money has been appropriated and it will be spent. Our purpose here is to have it spent on the list that the Congress and the administration, and in particular General McCaffery, our drug czar, finally agreed upon. That is the list in the statement of managers accompanying the supplemental appropriations.

Accordingly, I urge my colleagues to support this bill.

Mr. Speaker, I reserve the balance of my time.

Mr. CROWLEY. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of this bill. This bill has been on and off the schedule today a few times, and I think we finally have a version that everyone is comfortable with. We are right to move this assistance to Peru, Columbia, Bolivia. Critical interests are at stake there. We have delayed this assistance long enough.

This bill will allow the Agency for International Development to provide assistance to those three countries for alternative development, which is critical to helping those farmers move from the cultivation of illicit and illegal crops to cultivation of legitimate and licit crops.

I was in Columbia recently, Mr. Speaker, to survey the damage of a recent earthquake in that country. The damage was unbelievable. Thousands were dead and tens of thousands were homeless. My colleague, the gentleman from New York (Ms. VELÁZQUEZ) and I were able to bring home to Queens two young girls who had been injured in that earthquake.

The people of the United States have provided critical assistance to the suffering people of Columbia. We as a Congress should be doing the same, putting together emergency assistance to address that emergency in Columbia.

I look forward to working with my colleagues to make sure that the suffering people of Columbia, ravaged by a tremendous earthquake, get the help that they need from the U.S. Congress. I support the bill.

Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. SMITH of New Jersey. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from New Jersey (Mr. SMITH) that the House suspend the rules and pass the bill, H.R. 1379, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

The title was amended so as to read:

"A bill to amend the Omnibus Consolidated and Emergency Supplemental Appropriations Act, 1999, to make a technical correction relating to international narcotics control assistance."

A motion to reconsider was laid on the table.
